FISCAL NOTE: ----

RECOMMENDATION: Staff recommends adoption of Ordinance No 2006.63

ADDITIONAL INFO: As stated on July 6, 2006 in the introduction and first hearing, this property tax rate results from the FY 2006-2007 Annual Budget and Capital Improvements Program. The attached Ordinance establishes the property tax rate for the 2006-2007 budget year at \$1.40 per \$100 of assessed valuation. Adoption of this levy is in accordance with A.R.S. §42-17151.

Based upon levy information received from the County, we estimate that the \$1.40 tax rate will generate \$27.5 million, including \$9.8 million of primary levy from an estimated .5183 primary tax rate and \$17.7 million of secondary levy from an estimated .8817 secondary tax rate.

The primary property tax levy amount as indicated in the Annual Budget reflects the allowable levy limit as estimated by the County. Since the City intends to adopt a levy equal to the primary levy limit, the provisions of Truth in Taxation are invoked. As required by statute, two published notices, a press release, and public hearing have appeared in the form and manner explicitly prescribed by A.R.S. §42-17107.

Further the statute stipulates a roll call vote on the Truth in Taxation resolution. Within three days of the hearing, the results of the Council's vote will be forwarded to the Property Tax Oversight Commission.
